PROFILE

Hello World!

My name is Evans Chaba, I am an ambitious 23 year old who loves flexing my creative muscle by crafting the digital world around me so let's do it together 😊. You will come up with the idea and i will use technical skills to design, code then put it on the internet for you !

RECENT PROJECTS

FitiKunto(in-progress) static-site

I designed and coded a promo site for a great imaginary local gym

StarBank static-site

I designed and coded a promo site for a free-mium imaginary bank.
